INTRODUCTION

The Consulting and Strategy Club is a Special Interest Group established to drive vertical mastery in Strategy Consulting, Management Consulting, and Technology Consulting. The club aims to promote a consulting culture and assist students in pursuing a career in consulting and strategy. The club acts as a platform for academic and corporate exposure to help students develop a holistic understanding of the consulting industry. With a plethora of initiatives conducted throughout the year, the club bridges the gap between corporate expectations and students' skill sets.

VISION

Nurture an ecosystem of consulting & strategy and develop relations with industry stalwarts for SIBM Pune's increased visibility in the consulting domain. The group endeavours to furnish the students with the resources necessary to build a career in consulting in order to maximize their prospects of transitioning into areas of Strategy Consulting, Technology Consulting, and Management Consulting.

The Three Guiding Pillars

MISSION

- To build relationships with consulting firms and strengthen the collaboration with subject matter experts
- To nurture talent and commitment for the consulting domain at SIBM
- To prepare the students for their consulting interviews & help them in scholastic development throughout the year

CONTINUUM

OBJECTIVE:

Continuum is a year-round series collaborating with well-known industry experts and international faculties who would help students understand different career choices, career progression, best practices, and daily responsibilities in the world of consulting, Product Management and Technology.

DETAILS:

The sessions introduced various cohorts of business consulting like product management, strategy management, Cloud Adaptation etc., to students of SIBM Pune. This helped build traction towards consulting as a career choice for the students. Sessions on How to Ace Guesstimates and Case Solving has introduced students to the world of Consulting Interviews. The sessions proved to be a great value addition to the students. All in all, Continuum helped in piquing and nurturing students' interest in a career in the ever-dynamic domain of Consulting.

How to Ace Guesstimates

STRATX

STRATX

OBJECTIVE:

With StratX 1.0, a weekly publication, the club aimed to equip students with relevant insights on Industry trends, Business frameworks, understanding jargons and lingo used in the consulting space.

With Strat X 2.0, the club endeavored to foster conversation in the student community on contemporary topics in the business domain.

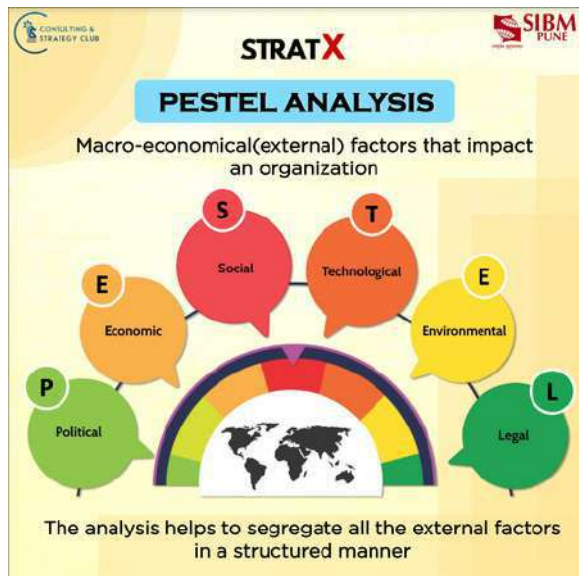

DETAILS:

To convey the business concepts in a way students will remember, Infographics were used to simplify difficult frameworks by breaking down concepts into visual bits that are easier to understand. It was sent to all the students weekly via email and posted on the social media pages of the Consulting and Strategy Club.

StratX was later redefined as a medium blog which comprehensively covered pressing matters on the most relevant happenings of the contemporary world.

INDUSTRY REPORT SERIES

OBJECTIVE:

The industry report series was started to aid the SIRP preparation of MBA-1 by providing a general overview of all the industries.

DETAILS:

The comprehensive reports covered major trends, government initiatives, Key Performance Indicators(KPIs), Cost Drivers, Growth Drivers, Porter's Value Chain analysis, etc., of the respective industries. The reports additionally included parameters and information specific to the industry. The reports were created in a compact and easily consumable format to aid in quick revision during the placement processes.

CONSULTING WORKSHOPS

OBJECTIVE:

Scholastic development of the students has always been at the core of what the Consulting and Strategy club does. In that pursuit, we collaborate with EdTech startups and organize workshops for the students to gain relevant skills that are very important for their Consulting Interviews and Internships.

DETAILS:

To gear up the students for their consulting interviews preparation, we collaborated with AthenaSquare and organized multiple workshops.

- In a highly engaging workshop, Mr Pratik highlighted the importance of asking the right questions, and the MECE thought process during case interviews and guesstimates. He enlightened the students with different problem-solving approaches and the importance of bottom-up approach in articulation
- The Data Analytics Workshop was organized for the MBA-1 students to aid their Summer Internship preparation. The workshop covered Data Analytics in Excel and also covered creating Tableau Dashboards. This 5-day long workshop received an overwhelming response from the student community.

SNAPSHOTS:

The sessions and the speakers covered are as follow:

SPEAKER DETAILS -

Mr. Pratik Ranjan

Consultant at Boston Consulting Group

Consulting Masterclass

Mr. Ahmed Pathan

*Solutions Manager at HDFC Bank, Ex-
Data Analyst at INC*

Data Analytics Workshop

RESOLVE

OBJECTIVE:

The Consulting and Strategy Club started a case interview preparatory series called Resolve. Resolve program was initiated to provide a structured case-solving approach to the students and get them ready to face their summer & final consulting interviews. The club intended to build a community of like minded students who benefit from share resources and peer-to-peer case solving approach.

DETAILS:

The Resolve series was a month long endeavor taken by the club during the months of October and November. During this series, some of the most useful frameworks, guesstimates, and an array of intriguing cases were covered. With different case partners in every session, the students could gain from a wide variety of perspectives of their peers

The response was enthralling and was very encouraging to see students making the most of the opportunity. Through this series, the club built a cohort of students and encouraged the culture to effectively prepare for consulting interviews.

SNAPSHOTS:

TOPICS COVERED:

- Clarifying Questions - 3CP, Time and External Factors
- Profitability Framework - Revenue Decline Problem
- Profitability - Cost Increase Problem
- Market Entry Framework

The image is a composite graphic for a case discussion series. At the top left is the 'CONSULTING & STRATEGY CLUB' logo. At the top right is the 'SIBM PUNE' logo. The central part features a large screenshot of a Zoom meeting. The meeting title is 'reSOLVE'. The main screen displays a 'PROFITABILITY FRAMEWORK' diagram, which is a tree structure starting from 'Profitability' and branching into 'Revenue' and 'Costs'. The 'Revenue' branch further divides into 'New' and 'Existing' categories, with 'New' leading to 'Growth' and 'Existing' leading to 'Decline'. The 'Costs' branch divides into 'Fixed' and 'Variable' categories. The Zoom interface shows a grid of participants on the right side, including names like SAGAR AGARWAL, SAKSHI DAS, VIKAS PATI, ANSHIKA GHOSH, WILLY MUKHERJEE, SWANAM BAY, and AKSHAY GAUTHA. At the bottom left, there is a small illustration of two people sitting at a table. At the bottom right, there are several icons representing a graduation cap, a clock, a book, a lightbulb, a microscope, and a pencil. The text 'A CASE DISCUSSION SERIES' is written in a bold, serif font across the bottom.

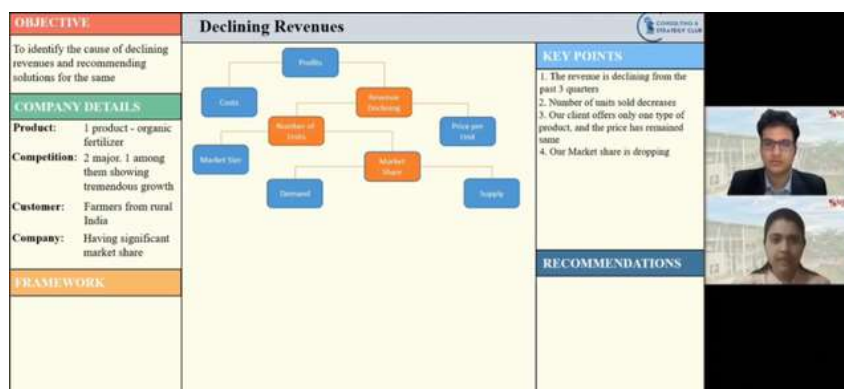

CONSULTING VIDEO SERIES

OBJECTIVE:

This video series was specially designed and curated to give a flavor of a real-life case interview to candidates preparing for consulting case interviews. The series remains as a repository on the YouTube channel of the club to aid students in their interview preparation journey in the years to come. This initiative is a part of the ‘Scholastic Development’ pillar of the club’s mission.

DETAILS:

The series covered different types of case frameworks and Guesstimates to provide a comprehensive understanding of case solving. The club was elated and proud to have received a very heartening response from the student community for this series.

Aanklan 2022

AANKLAN

OBJECTIVE:

Aanklan is a Hindi word meaning “estimate”. This was an apt name for the club’s endeavour to test students on one of the most important corporate tools - guesstimate! With this initiative, the club encouraged critical thinking and nuances that can be useful in key business decisions.

DETAILS:

Aanklan 2022, a unique entrepreneurial guesstimate national level competition, was hosted on the D2C platform by the club. This competition was organized in collaboration with SECC, under the Entrepreneurial Summit 2022. With directives to participate individually or in a team of 2, the competition garnered more than 65k+ views, with 250+ registrations across premier institutes. Top 2 teams won cash prizes worth Rs 5000 and other finalists received certificates and special mentions.

Winners of the event:

1st - Aneek Saha and Mainak Sarkar (SIBM Pune)

2nd - Suryanshu Sengupta (DTU New Delhi)

PRAJWALAN

POWERED BY

PRAJWALAN

OBJECTIVE:

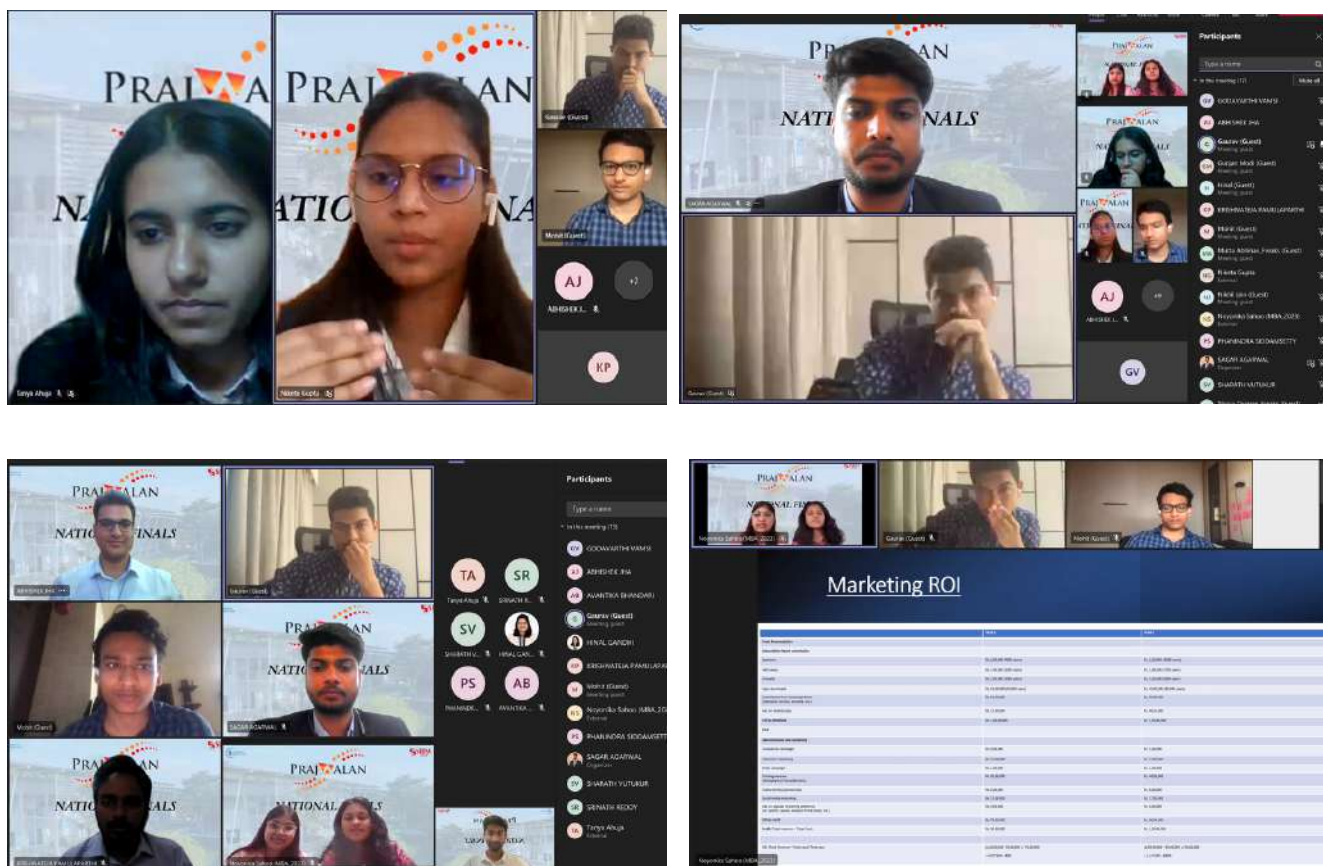

National Level Live Business Case Competition to encourage problem solving skills and provide exposure to real life business case scenario. Through this competition, the teams were not only required to be adept at business concepts in theory but were also required to apply them and provide sustainable solutions.

DETAILS:

Prajwalan was the flagship event of the Consulting & Strategy Club. It was a three-round competition, with **prizes worth Rs 67,500**. As part of the engagement, registrations through QR codes were posted across campuses. The competition saw an astounding **496 registrations and more than 35k+ views** on the D2C platform. The first round was a quiz round hosted on the D2C platform itself with challenging questions from the domain of Strategy, Marketing, Finance, HR and Operations. This was an elimination round with the top 70 teams progressing to the next round. In the penultimate round of the competition, the teams were required to submit their solutions on a **live case based on the business challenges** of Stratzy, a fintech startup and our case partner. The final round, hosted on MS Teams, saw the **top 6 shortlisted teams** competing against each other and presenting their solutions to the founders of Stratzy. With all finalists getting live relevant feedback on their proposed solutions, the event was wrapped up successfully.

WINNERS OF THE EVENT:

1st - Srinath Reddy, Phanindra Siddamsetty and Avantika Bhandari (SIBM Pune)
2nd - Anushka Johari and Noyonika Sahoo (Woxen School of Business, Hyderabad)
3rd - Gunjan Modi and Amanpreet Kaur (Lady Shri Ram College for Women, DU, New Delhi)

CONSULTING CASEBOOK

OBJECTIVE:

Launching Casebook was one of the major milestones the club achieved in its inaugural year. The casebook aims to assist the students of SIBM Pune in their preparation for case interviews during placements. Through the casebook, the club also envisions to build a culture of case solving and useful techniques to be applied.

DETAILS:

The casebook documents the interview experiences of students across consulting firms to assist the students in their case interview preparation for SIRP and CRP. The casebook comprises of 25+ cases in different case domains of Profitability, Growth Strategy, Pricing and Market Entry, 10 relevant guesstimates and pertinent business frameworks. The casebook was built with diligence and through effort and support of club members, alums, student president and our esteemed director.

The casebook was launched on the occasion of Annual Management Day, 27th March 2022, among the august presence of our alumni and our esteemed director, faculty and students. The club also received special mention in the director's and student president's note on being able to launch the case in the inaugural year itself.

SNAPSHOTS:

COMPANIES AT A GLANCE

This casebook's content is inspired by experiences of the students of SIBM Pune interviewing for these companies:

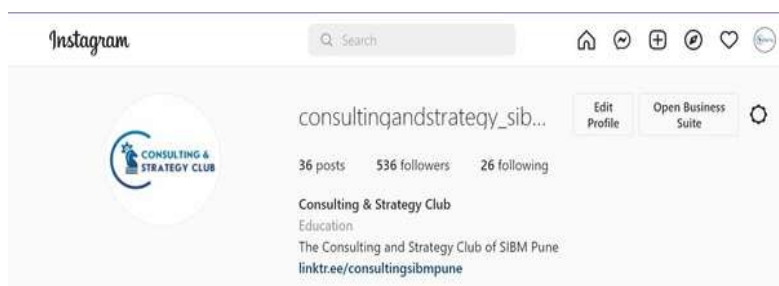

ACCOLADES TO THE TEAM

Due to the club's concerted efforts in the last one year, the institute reaped benefits in the final placements of 2020-22 batch. In addition to this the student executive council has named Consulting and Strategy Club as the most promising SIG for the academic year 2021-2022.
