1. Attendance Rules

At SIBM Pune, our endeavor is to maintain a high degree of academic rigor and discipline. We have observed that the quality and employability of students is related to attendance in classroom lectures, workshops, field visits, etc. As a result, we have decided to streamline and monitor the attendance process. Please note following points:

1. We expect **100% attendance** throughout all semesters. Leaves may be opted for activities related to student councils, inter institute competitions, personal or medical emergencies, to a maximum extent of 25%.
2. For every division, an academic coordinator will be allotted for taking attendance for every lecture. Please ensure that you report your attendance in the class itself when it is taken.
3. Forms for leave and exemptions will be available in the SIBM office. (Please note exemptions will not be treated as attendance in the system for any reason).
4. Application for leaves will be signed by the faculty in charge and will be sent to the Director/ Deputy Director for approval.
5. Unreported absence is not acceptable. Thus, to avoid further action, please fill and submit the leave/ exemption form **at least two days in advance**.
6. In case of emergency leave, please send an email to faculty in charge of attendance and attendance coordinator.
7. The status of your attendance can be checked online. Link is given below:
<http://10.10.90.11/eSIBMUser/Login.aspx>
8. The attendance of minimum 75% is mandatory for all students of the University to be eligible for the external exams of all the courses of the term. If the criteria are not met by any student, the institute will declare it as TNG/ CNG (Term Not Granted/ Course Not Granted).
9. All those students granted TNG/CNG will have to appear for the respective examination in the next season as backlog.
10. Attendance for guest lectures/ workshops/field visits/ training programs organized by the institute is mandatory. Unreported absence will be treated with strict action.

Exemptions for council activities:

Please note that having low attendance reflects poorly on any academic institute. It adversely affects the outsider's perception of the institute. It also impacts the quality and employability of students. Thus, for the benefit of students and the institute, it is essential to utilize exemptions in the best possible way.

Therefore, council members should apply for exemption only **whenever it is required** and for a particular **time period**.

Council coordinators are requested to fill in exemption forms in advance. They should fill in exemptions for council members as well as volunteers (if any). Applications for exemptions submitted **post the event will not be accepted**.
