Programme -1

Gender Sensitization

A session on Gender Sensitization for all the students and staff is an integral part of SIBM. It highlights the importance of gender inclusion and stereotypes prevalent in society. It explains how gender inequality is created through socialization and how it generates opportunities and constraints for both men and women. The Importance of political correctness regarding gender roles and breaking away from the traditional patriarchal mindset was stressed upon.

The next form of harassment considered was the hostile work environment concept which is not only limited to unwelcome sexual advances but also includes non-sexual acts such as staring, making inappropriate gestures, and sharing sexual jokes. The difference between harassment and flirting was also examined in detail and the major takeaway from the discussion was the idea of consent. The role of the Internal Committee (IC) who is involved in redressing the grievances of a complainant who has encountered some form of harassment in the workplace was also discussed.

Programme - 2

International Women's Day (8th March 2021)

March 8th 1917 was the day when women in Soviet Russia protested for the right to vote, which they were granted in 1917. A public holiday was later declared on the same date. "Choose to Challenge" was the theme for the International Women's Day 2021.

SIBM students celebrated the International Women's Day at campus where a pledge against the gender bias and inequality at the workspace as well as the domestic environment was taken.

Annual Report 2020-21

INTERNATIONAL WOMEN'S DAY 2021

The **International Women's Day** (March 8) is a global day celebrating the social, economic, cultural, and political achievements of women. This year, International Women's Day was on the theme **#ChooseToChallenge**, where people across the globe chose to challenge gender bias and inequality and make the world an inclusive space.

With this spirit in mind, SECC held an event on-campus on the occasion of Women's Day. The movement was aimed at being mindful and avoiding any bias that creeps in at workspace and homes. Students chose to **pledge against gender bias and inequality at the workspace, as well as the domestic environment**. The event helped in initiating a dialogue among our students to be more conscious and mindful of the environment they operate in.

A black and white photograph showing four students standing in front of a banner. The banner has the text "INTERNATIONAL WOMEN'S DAY" and "#ChooseToChallenge" visible. Two students are on the left, and two are on the right. They are all wearing dark t-shirts. The background shows a building and some trees.

**Programme -3
(Gender Sensitization)**

Gender sensitization is about educating one and all about the **gender equality concerns**. It provides direction to people in examining their personal attitudes and beliefs and questioning the realities of both sexes. Gender Sensitization education is an integral part of SIBM Pune for all the students and staff. It explains how gender inequality is created through socialization and what one needs to do to remove this inequality. A special session on gender sensitization was conducted on 30th July during the pre-induction Programme for all the newly admitted students as well as for the staff. Ms Renuka conducted the sessions successfully.
