Hello Everyone,

Greetings from the Social, Entrepreneurship and Consulting Cell!

As we reach towards the end of this academic year and begin our journey to achieve our individual aspirations, here is an opportunity to fulfill our social aspirations and make a difference before we leave. Every year SECC, under its Social Wing, conducts "Joy of Giving" – the Annual Donation Drive and we plan to conduct the same from **1st April 2022 to 7th April 2022**.

Students are free to donate non-monetary items such as **books, clothes, footwears, utensils, medicines, sports equipment and stationery in-kind** which could be really helpful to those in need.

We will keep donation boxes outside each hostel so that you can conveniently drop items which you wish to donate. We have collaborated with 'Goodwill India', a social organization which will further distribute these items to the ones who are in need.

As charity starts from home, this can be our little contribution towards uplifting those who are not as fortunate as us.
