SIBM Pune

Overview

Symbiosis Institute of Business Management, Pune (SIBM, Pune) is a premier business school in India with a 44-year history. It was founded in 1978 and is known across the world for academic quality, multicultural solidarity, and substantial contributions to business, society, and students.

SIBM Pune is a student-driven institute where students try to learn via difficult and thought-provoking scenarios in addition to academics. The institution also organizes various events across the year where students meet with industry leaders and learn from them. SIBM Pune's distinguished alumni, all of whom are linked to their alma mater, also contribute to its success. SIBM Pune's world-class facilities, located on a hilltop campus at Lavale, provide a comprehensive learning and development environment.

Corporate Interface Team

Overview

SIBM Pune is represented in the business world via the Corporate Interface Team, a student-run initiative. The team has always worked to strengthen, maintain, and improve the 'SIBM Pune' brand and the institution's relationship with the Indian business sector. The team's main purpose is to plan, design, and execute events that complement the institute's pedagogy, such as guest lectures, symposiums, and seminars.

CIT attempts to improve students' comprehension of academic subjects by allowing them to connect with industry professionals and gain an industrial viewpoint. The team presented a practical view on several areas of management and business to students through a series of events in the academic year 2021-2022, and attempted to guarantee that students were kept up to date with the newest management trends and developments in the market.

Message from the **DIRECTOR**

Despite the challenges of a hybrid model that the last academic year presented, the Corporate Interface Team of SIBM Pune has not only overcome them but has set a higher benchmark of excellence. CIT has brought invaluable corporate exposure throughout the academic calendar by hosting business leaders from some of the biggest brands and inaugurating the conclave on the theme of Product Management. The interaction with corporates will keep continuing in both virtual and in-person modes and CIT will continue to take the legacy of strengthening the relationship with the corporate honchos ahead which will immensely help the future leaders of SIBM Pune.

Message from the

CORPORATE HEAD

In this academic year, I am delighted to state that we have had the privilege of engaging with many prestigious organizations through a series of guest lectures and business conclaves. Our students were given the platform to learn first-hand from industry experts, which is essential for the growth of any business graduate. A new initiative, the Product Management Conclave, provided a platform for various product leaders to discourse on the quintessential learning in this domain. Going forward, we look to engage with corporates that have made a difference, and hold events that bring theory to practice.

The Corporate Interface Team, SIBM Pune conducted its flagship leadership conclave, **Arcturus 2021** virtually on **19th December 2021**, revolving around the theme '**The Disruptive Decade: Technology pushing the Business Envelope**'.

Business and **technology** have long been inextricably linked. **Breakthroughs** have always led to new approaches in trade and product development. Knowing about technologies is no longer enough to stay ahead of the curve. **Forecasting** and **reacting** quickly to them is essential. Embarking on a new journey in the world of business will begin at the **intersection of disruption and feasibility**. Understanding the synergy between emerging technologies and their application in sectors like finance, biotechnology, and human capital, among others, need the knowledge of visionaries who were part of the wave.

Through Arcturus 2021, we wanted to get insights into **how technology will assist** the next generation of managers, entrepreneurs, and business leaders to be a part of the transformation that awaits them in the coming decade.

The event was a successful platform, bringing together leading organizations including Gartner, DBS Bank, Medtronic, Dr. Reddy's, Biocon, Zydus Cadila, SiCureMi, Baker Hughes, Kimberly Clark, Avery Dennison, and Paytm to delve deeper into the theme.

Arcturus 2021 started with a Keynote session from Mr. Sumit Mundra, Director HR, Gartner on the topic **'Conjunction of Human Capital and Technology'**. Mr. Mundra provided crucial insights on how technology is making its way into the world of Human Capital and affecting HR practices. This was followed by a Hot Seat session with Mr. Manish Gadia, National Head - Global Transaction Banking SME - CMB, DBS Bank pivoted around the theme **'Decentralized Finance: Fundamentally re-shaping the Financial system'**. Mr. Gadia expanded on how technologies like Blockchain are making way for Cryptocurrencies, NFTs, ICOs, etc, essentially creating a different finance ecosystem altogether.

This way followed by a Round Table Discussion on **'Bio Revolution: The merger of Bio-Tech and Info-Tech'** in the presence of Mr. Prateek Tiwari, Director - Strategy, BD & Emerging Market Group, Medtronic, Mr. Vinoth Kumar, Head - Strategic Sourcing, Dr. Reddy's, Mr. Atanu Roy, Group CIO, Biocon, Mr. Amrut Medhekar, Senior Vice President, Zydus Cadila as panelists and moderated by Mr. Tarun Gupta, Founder and CEO, SiCureMi.

Total Leadership

A step beyond Management

The Corporate Interface Team, SIBM Pune successfully organized its flagship management conclave, Senate 2022 on 12th March 2022. Leadership is at the forefront of every business. In a world where people are at the center of everything, the need for a good leader cannot be overstated. Being a leader surmounts everything from assessing your own talents to facing obstacles and working together with a team to solve them.

Aside from internal considerations, there are various external constructions that alter one's perception of leadership on a regular basis. All of these distinct perspectives combine to form the notion of "Total Leadership," which encompasses the internal, external, business, and social aspects of leadership. Looking at it through the lens of leadership will assist us in applying this concept in the future, aiding us in the journey of becoming good to great. Keeping this in mind, this year's theme was titled '**Total Leadership: The Journey from Good to Great**'.

Senate
 Management Conclave 2022

The event was a successful platform, bringing together leading organizations including RPG Group, Mastercard, AON, American Express, Kraft Heinz, Taproot Dentsu, Mars, Beam Suntory, Adobe, Prione Business Services, IQVIA, Atria, FMC Corporation, Natwest Group and Netflix.

Through Senate 2022, the aim was to provide key insights and lessons about various aspects of leadership and what Total Leadership would encapsulate going forward in a rapidly evolving business environment. The leaders of prominent organizations put across their perspectives as to what would encapsulate a Total Leader.

Closing Note

The academic year 2021-2022 was shaped by unexpected disruptions, inspiring lessons and triumphs. In this time of uncertainty, it was a delight to see how the various Student Councils & SIGs at SIBM Pune grew stronger to meet the challenges, displaying their unwavering commitment and achieving new standards of excellence.

For the Corporate Interface Team, the year brought great success and tremendous growth, as we moved to the hybrid mode and facilitated a wide range of dynamic corporate engagements which added to the business acumen of the students.

Going forward, the team's vision is to continue hosting firms from various sectors & industries, strengthen the corporate relationship and further the academic and professional growth of the students. This year we intend to focus on facilitating domain-based guest lectures and on-boarding live projects in Product, Data analytics, Consulting etc.

Reflecting on the successful initiatives and our vision ahead, we would like to thank the institute for its constant support. We extend our gratitude to Dr. R. Raman - Director, Prof. V.V. Ravi Kumar - Deputy Director, Dr. Madhura Bedarkar - Associate Professor & Deputy Director, Prof. Sandeep Bhattacharya - Head - Corporate Relations, Mr. Anand Singh - Administration Head, faculty members and staff for steering us ahead with their counsel.

Looking ahead with optimism!
