# About the Team!

## "Sports...

has the power to change the world. It has the power to inspire. It has the power to unite people in a way that little else does. It speaks to youth in a language they understand. Sport can create hope where once there was only despair."

— Nelson Mandela

Founded on the Pillars of "Parampara, Pratishta, Anushasan & Jugaad ", The Sports Management Team at SIBM believes in the objective of inculcating team spirit, bringing out leadership qualities & encouraging students to participate in sports in order to harness a healthy mind into a healthy body.

The rising potential of sports as a management domain is something the team wants to tap into and give the students a chance to excel in developing an all-round personality that encompasses mental as well as physical capabilities.

Above all, we hope to provide a distraction from the rigors of MBA life at SIBM and give everyone a chance to unwind and just have a little fun!

# Project Milaap 2.0

The interaction between the MBA-1 and MBA-2 batches, a key part of the holistic MBA experience, was inhibited due to the virtual nature of classes. The Sports Management Team organized Project Milaap 2.0 to overcome this hindrance and provide the students with a platform to interact and make new bonds.

The event spanned over three days from the 9th to 11th of August, and the theme was centered around collaboration between the batches. Students were teamed up in groups of three, with each team consisting of a mix of MBA-1 and MBA-2 students.

Project Milaap 2.0 followed a game show structure, divided into various categories like riddles, trivia questions, picture-based questions, crosswords and buzzer rounds. The questions tested the competitors' knowledge of various sports and iconic moments in sporting history. Multiple rounds were formulated so that students would get up from their laptop screens and move about the house to search for items and clues.

Two days of exciting competition and camaraderie culminated into the third final day, where the top teams from both days fought it out to be crowned the Champions of Project Milaap 2.0 in a series of elimination-based rounds. Finally, Amit Kumar Meena, Anupam Tripathi and Anubhav Kumar of Team 'Honey Badgers' took the title.

## Symbattle

E-sports has seen a meteoric rise in the past few years, partly due to the success of mobile games like PUBG and Call of Duty and also, the limitations to physical sports during the pandemic. To overcome these impediments while also engaging the students in competition, the Sports Management Team organized Symbattle, an event where students demonstrated their gaming skills and battled it out with their batchmates in a very intense game of Battlegrounds Mobile India.

As a fun after event game, Stumble Guys, a multiplayer party knockout game was also organized where students got to play alongside their friends and blow off some steam.

Symbattle was a one-day event, held on the 28th of August. Players were teamed up in pairs of two and the event was streamed live on YouTube for other students to watch and cheer their friends on. The BGMI tournament was league-based and consisted of two intense matches where all the teams went neck-to-neck to claim the title.

Finally, three teams emerged victorious. Vishwajeet Thorat and Parv Badjatiya fought their way to the top and rightfully secured the 1st Rank with an astounding total of 47 points. 2nd Rank was bagged by Lovish Kumar and Satyam Kumar with a total of 20 points. 3rd rank was awarded to Arnav Dhaka and Vasudev Adiga who gave tough competition to the Rank 2 holders with a total of 16 points.

## Hilltop Hustle

With colleges finally allowing students back on campus around mid October, we saw the entry of MBA-2 students back on campus. The Sports Management Team was able to arrange it's first tangible offline tournaments in the wake of this. The first offline event, 'Hilltop Hustle', was an Inter-college Symbiosis tournament amongst the 6 institutes within the hilltop, Lavale campus.

The event included four of the most popular offline team sports - Basketball, Football, Cricket and Volleyball. Spanning over six days from 18th October to 23rd October, the event saw tremendous interest from the 6 institutes, as evident from the 200+ participants.

The tournament followed a straight knockout format amongst the 6 participating institutes, with the matchups for the first round being randomized. The basketball tournament ended with victory of the SIBM team, who beat the runners-up SSBF in the finals. The football tournament ended with the victory of SSSS, beating the runners-up SIBM in the finals. The cricket tournament ended with the victory of SSSS, beating the runners-up SIMC in the finals. Lastly, the volleyball tournament saw SSSS once again taking the victory, beating the runners-up SSBF in the finals.

Overall, 'Hilltop Hustle' ended with SSSS showing the best performance, winning 3 out of the 4 tournaments, followed by SIBM, clinching victory in one of the tournaments and finishing runners-up in another.

# 04

# Arcadia

With colleges opening up offline for all students, SMT took it upon themselves to conclude this virtual setup with one last full-fledged online gaming event, 'Arcadia', involving CS:GO, UNO, Chess and 8 Ball Pool.

The event was spread across 2 days; 31st October and 1st November, with over 120+ enthusiastic participants taking part in it. The first day of the event started with the CS:GO tournament, with Team Mavericks clinching victory in a dominating fashion, winning the series 2-0. This was followed up with a non-competitive bout of UNO to incite fun amongst the batch.

The final day of the event started with the Chess tournament, with Rishabh Bhat taking the first place, followed by Sai Teja and Jay Kant Singh finishing runners-up and second runners-up respectively. The day ended with a non-competitive bout of 8 Ball Pool.

## King of the Hill - Table Tennis

The Symbiosis International University hosts inter SIU sporting competitions for every sport in association with the Department of Sports, Recreation & Wellness (DSRW). The DSRW enlists the help of 1 college per sport to conduct the tournament.

### King of the Hill - Table Tennis

This year SIBM was given the responsibility of organising the Table Tennis tournament. The tournament was organized from the 15th to 16th of December, 2021, and saw the participation of 9 Men's teams and 8 Women's teams from the institutes on Hilltop and Hillbase Lavale campus.

The tournament ended with Symbiosis Institute of Technology winning the Men's division with SSSS & SIBM the 1st and 2nd Runner Ups respectively and Symbiosis School of Sports Science winning the Women's Division with SIBM & SSCA the 1st & 2nd Runner Ups respectively.

# 06

## Tug of War

Students at SIBM Pune do not take their culture for granted. The Sports Management Team is a proud enabler of the institute's culture driver. A healthy and competitive mingling between the new and current batches of students at SIBM Pune is an integral aspect of this culture.

One such event is the tug of war. Held on December 23, 2021, it saw immense participation with many teams from both the senior and junior batches competing. The event was welcomed with a lot of enthusiasm and intensity, and both the participants and the audience had a terrific time. MBA 2 was the one that "tugged" out the bragging rights in the end!

One of the highlights of the event was the appearance of Kartik Aryan, who also handled the coin toss for the finals for the tug of war.

# 07

## Gravitas Launch

In a virtual format, it was inevitably going to be a challenge for the Sports Management Team to grasp the essence of Gravitas, the flagship sports fest of SIBM, Pune. It was hence imperative to launch Gravitas keeping the essence of the event intact. The launch took place on 5th February 2022.

The launch event began with the reveal of the Gravitas logo and poster to the entire batch. The launch event continued in the form of fun illusions and magic tricks by the great Illusionist, Mr. David Nobo, who engaged the batch for an hour with his tricks and illusions, and helped us launch 'Gravitas' in one of the most unique ways.

A fun filled evening with the guests dazzling the batch, the event was concluded by thanking the esteemed guests and declaring the launch of Gravitas 2022.

## Gravitas' 22

A B-School experience is multi-faceted, encompassing not only case competitions and academics, but also important extracurricular activities like as sports, all of which contribute to an individual's holistic development. SIBM Pune's Sports Management Team is charged with providing this experience to SIBM Pune and other B-school students in order to create a sense of healthy networking, competitiveness, and sportsmanship. The result of this goal is 'Gravitas,' which is one of the country's largest inter-B-School sports festivals, held once a year.

This year's Gravitas, 'Gravitas'22', the Inter B-school Sport Fest, attracted over 35 colleges. 'Phoenix - Reborn' was chosen as the theme, which portrays the rebirth of virtual Gravitas with an eSports format for yet another edition. Each of the six events, as well as the Gravitas Sports quiz, was carefully selected based on current gaming trends. With the goal of making Gravitas bigger and better, we had over 800 students from NMIMS, IIMs, FMS, XLRI, and other institutions participate in Gravitas'22.

The competition consisted of various popular events like Chess, FIFA 21, CS:GO, BGMI, 8 Ball Pool and Valorant, held across a span of 3 days conducted on the 11th, 12th and 13th February.

The three-day fest featured high-intensity competition in a variety of disciplines, with individuals and teams competing while proudly supporting their universities. The end of the event saw IIM Indore emerge as the overall winners of Gravitas'22, followed by SIBM Pune clinching the runners-up spot.

## SIBM Premier League (SPL)

The SPL is the academic year's final big event. It's an occasion that the entire class looks forward to and recalls long after they've left the lovely Lavale Campus. The format of the SPL is very similar to that of the Indian Premier League. Every year, eight teams compete.

These teams, as well as their captains and players, are auctioned off in a similar format as in the IPL, with the Teams/Captains Auction and the Players Auction running late into the night. The auctions took place on March 4th 2022. They were held in the AH2, with the entire college invited to attend and observe the proceedings. SPL 13 drew a total of more than 150 students in the form of owners, captains, players and investors.

The next 15 days were filled with practice matches and excitement as the entire batch worked tirelessly to win the coveted SPL trophy. The tournament began on the 21st of March, and some of the major highlights during SPL XIII included the only fifty of the tournament by Lovish Kumar, scoring his fifty in merely 15 balls, the only hat-trick and maiden over by Devashish Sharma, and the 6 catches by Vishwajeet Thorat during the course of the tournament.

The event was concluded on the 24th of March, as the underdogs Eagles stunned the favorites Devils and Dragons, in the semifinals and finals respectively, with some spectacular bowling performance, to win the coveted SPL XIII trophy.

# Screenings

Football, F1 and cricket happen to be some of the most widely followed sports in the world, and especially, in India. It is safe to say, wherever there is a set of students, there's a strong fanbase that follows.

There was a healthy demand for cricket and F1 screenings on campus reopening. Being cognizant of the prevailing covid situation, the Sports Management Team, took the onus of socially distanced screening nights for major football and cricket matches.

Fans from all the batches would gather and enjoy the screenings carried out.

15th October 2021 - IPL Finals - KKR VS CSK

12th December 2021 - F1 Final Race
