Diabetes is bleeding India dry

- India's diabetes population in 2017 was 74 million, which will likely increase to 134.3 million by 2045.
- The total expenditure on diabetes in India was estimated at \$31 billion in 2017 with 86% of rural and 82% of urban population.
- In India, infections contribute to 41% of deaths among patients with diabetes. Despite use of low cost drugs and insulin, the expenditure on diabetes increases exponentially when complications occur.

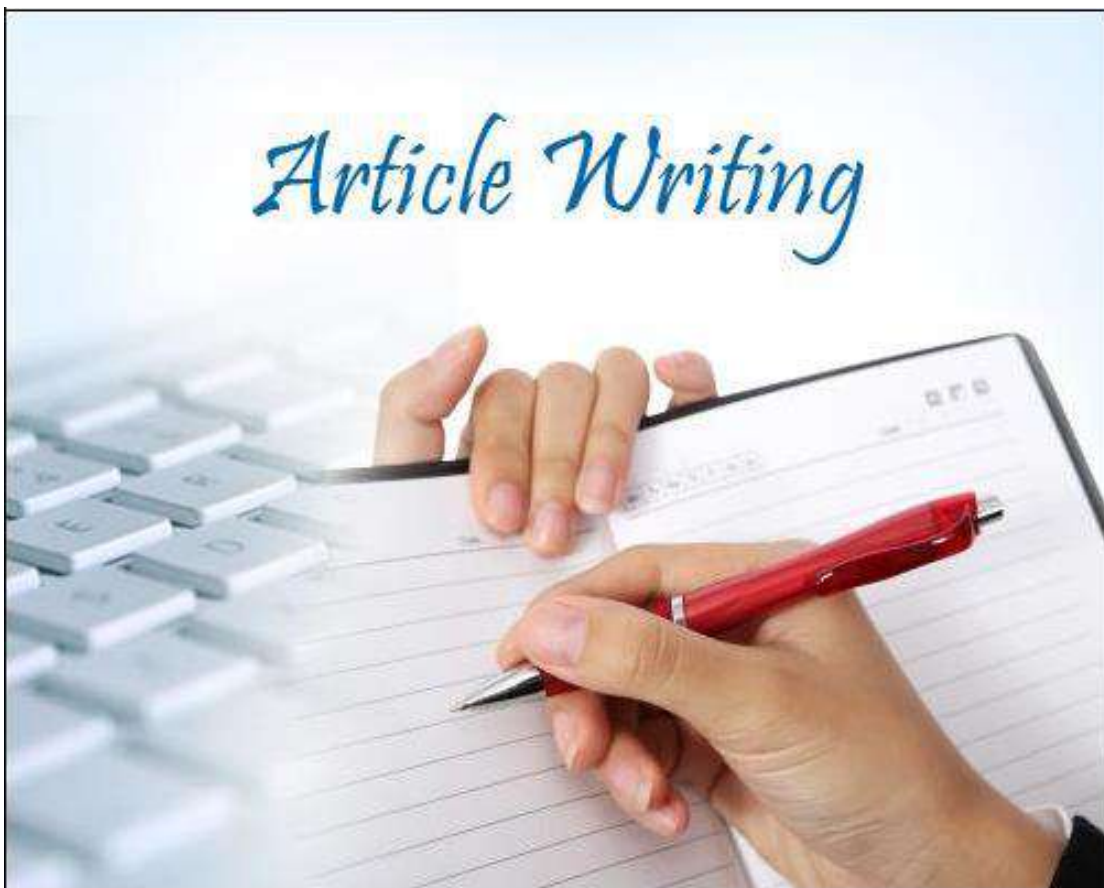

HR FUSION 3.0

It is the annual HR magazine circulated across the entire batch. The magazine is a culmination of articles across HR and other strategic business areas. This edition was themed on the upcoming disruptive technologies and trends in the field of HR and how they would have a bearing on the workforce. Life experiences and learnings of corporates and faculties is presented after conducting in depth interviews. Also, crossword puzzles and interesting games related to HR domain are published at the end of the magazine.

NATIONAL LEVEL ARTICLE WRITING COMPETITION

Article writing competition was held in the month of July and gave an opportunity to students to pen down their thoughts related to HR domain. It's a national level competition organized across all the MBA colleges of India. It involves shortlisting of final topics basis current relevance on which participants prepare articles. Best articles are published in the HR Fusion magazine and also cash prizes are awarded. This year the winning articles were from LIBA Chennai and SIBM Pune.

YatHRa 3.0

Vitarka organized YatHRa 3.0 in which the MBA 2-HR batch had a very interactive and insightful factory visit at ITC Ranjangaon - ITD Division. The day started with the branch head- Mr. Manoj Shukla sharing about what appealed to him at ITC during his 18 year stint with the organization. Students got a chance to see the entire production process of cigarette manufacturing. The post lunch session had an experience sharing workshop by Ms. Pallavi Sandhu and Mr. Manu regarding the Employee Relations. At the end an on-the-spot case study and role play was conducted which saw enthusiastic participation from the students.

ACADEMIC SESSION

To help students with their academic curriculum and placement activities the club organized various sessions like mock GD & PI, preparatory kit, senior mentor allocation programme and expert sessions. The team is involved in planning and executing all the above activities. Also, students get to create a network to help them with any academic issue.

HREPLICA

HReplika is a live HR business simulation competition organized by Team Vitarka, as a part of E-Summit – the flagship event of SECC (Social Entrepreneurship and Consulting Cell) of SIBM. It tested the business psychology of the participants and challenged them through five rounds of role-plays, simulations, case studies, pep-talks and the ultimate face-off. Six teams battled it out for the trophy to claim the National winner title. The event was judged by eminent faculty and alumni.

WHIPLASH 4.0

Whiplash is an HR and IR based national level case study competition. The first round consists of national level quiz. In the second round, shortlisted teams compete in the case study competition. The unique aspect of the competition is that the teams get only get 3 hours to comprehend and provide solutions for the case in a team of 2. It provides an arena for the future leaders to showcase their talent and prove their mettle. This year we saw a healthy participation of around 400 students across premier colleges from India.

cHRysalis

cHRysalis is a National level HR case study and simulation competition conducted in association with Transcend, the flagship event of Co-Curricular team of SIBM.

This year cHRysalis witnessed 8 teams from TISS, MDI, FMS Delhi, SCMHRD and SIBM Pune battle it out to claim total prizes worth 50,000! The participants were grilled through case study presentations and role-plays to test their knowledge and business acumen. The event was judged by Dr. Shoma Shrivastava and DR. Amit P. Oak, who are both stalwarts in the field of management education.

INTERNSHIP HACKATHON SESSIONS

It is a series of sessions conducted in the month of February and March. Students from senior batch share their internship experience and core topics related to internship seen across past years to help juniors perform better in the summer internship. These sessions provide a platform for juniors to connect with the seniors, address their concerns and get an access to a repository of important topics. At times guest lectures of experts from outside are conducted to help students learn some specific subject.
