## TREE PLANTING DRIVE

### **Plant a tree Save a life!!! Time to give back to Nature!!**

Amidst the hustle and bustle of daily assignment's submissions, tests and classes, we here at SECC realize the significance of giving back to the nature. Hence, we organized a tree planting drive early last month adding another feather to our hat. Around evening, we had some of team members, students and faculty volunteer for the event. Dr. V.V. Kumar Sir was also present during the drive. As our campus is already lush with greenery, it was a task for us to identify a right spot to place the samplings. After spotting the apt location outside the Z block, we got all the equipment necessary for planting. Two of our friends brought the water sprinklers as well. All set, time for us to start digging the first few holes and our friends planted the samplings, sprinkled water. We took turns and all of us got to plant at least a sampling. Mother Nature also blessed us, it started drizzling. We continued till all the samplings were rooted. After a couple of clicks here and there, the event came to an end. All of us were happy after the act, however it was the first time of planting for some of us. We had to get back to our dorms to continue studying leaving behind the samplings where they belonged to.

# Taking Pledge on the 75th anniversary of the Quit India Movement

The year 2017 marks the 75<sup>th</sup> year of the 'Quit India' movement. The Quit India movement or 'August Kranti Andolan' was launched in Bombay on 8<sup>th</sup> August, 1942, by Mahatma Gandhi. The movement was an important milestone that helped India gain its independence in 1947.

In order to commemorate the sacrifices and revolutionary struggle of Indian freedom fighters, SIBM Pune ensured that all the faculty members, staff members and students took a pledge to build a new India by 2022 which is free from poverty, dirt corruption, terrorism, casteism and communism.

The students, faculty members and the members of the staff paid their respectful tribute to the freedom fighters for their sacrifice in the Quit India movement. Dr. V V Ravikumar, Deputy Director of SIBM Pune, addressed the crowd and administered the oath. All participants took the pledge and promised to create India that is strong, prosperous and inclusive and to build a new India that our freedom fighters would be proud of.
