SIBM PUNE

This Christmas season, we at SECC have planned a visit to Navkshitij, a home for mentally challenged friends. There are approximately 40 children, ranging from 6 - 18 years old.

<http://www.navkshitij.org/index.php/en/>

Due to the limited number of children, only 15 student volunteers from SIBM Pune would be able to visit Navkshitij on Christmas and spend the day there.

Students who are interested in volunteering to be 'Secret Santas' for these children would be required to fill up the attached form latest by 22:00 hours, 20th December, 2015.

SECC always celebrates Christmas with special people and makes their day a memorable one. This time we celebrated Christmas with the special friends at Navkahitij, a home for mentally challenged friends located at Marunji, Pune. There are around 50 students in Navkahitij from whom we received a wish list for Christmas. The amount for the gifts was then crowd sourced from the students of MBA 1 and MBA 2. There were generous donations from both the batches.

SECC along with 25 Volunteers, visited Navkahitij on Christmas with gifts and entertained the students by dancing, singing and conducting many games. The students of Navkahitij were all very happy with their Christmas gifts. This event really made up a memorable day to special friends of Navkahitij and a heart-wholming experience to every Volunteer.
