Hello Mr. Abhinandan,

I hope you're doing well too.

First of all, sincere apologies for the late response. I was in transit and faced network issues.

Many thanks for the prompt response and for accepting the invitation.

As of now, we are still in the process of inviting industry professionals and have a tentative confirmation from Sony Pictures, Mondelez, Zoomcar, and Merkle Sokrati. I will keep you posted on further developments on this end. Also, since the event spans over 2 days, we can always look at shifting the slots of the guest speakers, in case any major conflict of interest arises.

The current span of the Keynote is 45 minutes (30 minutes Speech + 15 minutes Q&A). If you wish to extend it to an hour (45 minutes Speech + 15 minutes Q&A) , we can surely accommodate it as per your convenience.

Sir, incidentally the batch at SIBM is pretty diverse with a good mix of freshers and students with work experience (up to 4 years) so the audience would definitely comprise of Millennials and Post-Millennials. Moreover, since we would soon be entering the workforce wherein, we believe, a lot of strategic discussions and decisions are being driven by the millennial choices, we thought it'll be a great experience for the students to learn from the industry experts.

Please feel free to connect in case of any more queries.

Hello Ms. Sonam,

Greetings of the day!

Could you pls help us block sir's calendar for the first half of January 31?

Thank You!

Thank you for the invite. I can make it as of now and am happy to come by.

Would be great if you could keep me updated on the other speakers confirmed for this event for me to rule out any conflict of interest please.

I am marking my work email and my assistant Sonam - who can help with the calendar block.

Meanwhile , could you tell me more about the format - keynote duration etc?

Lastly , one question - if i am calculating right , most people in the college now would be born after 1996 which does not exactly make them millenials? How does this question help them? - in your view?

Thanks , Abhi

Dear Mr. Chatterjee,

Greetings from SIBM Pune!

On behalf of the **Corporate Interface Team (CIT)** of **Symbiosis Institute of Business Management (SIBM) Pune**, I would like to extend an invitation to you as the **Keynote Speaker** for our flagship management conclave, **Senate 2020**, to be hosted on **31st January 2020**, at the beautiful **SIBM Pune campus**.

SIBM Pune established in 1978, is one of the leading business schools in the country. The institute is recognized for its excellence in academics, holistic development of students, strong alumni network and contributions to the industry and society. The Corporate Interface Team at SIBM Pune strives to enrich the domain knowledge of students through interactions with stalwarts from India Inc. The team aims to broaden perspectives by bringing together imminent leaders, instrumental in shaping India's business landscape.

Senate is a platform wherein we host various thought leaders and pioneers from the industry to discourse topics of relevance to the business world and society. This year, the theme for Senate 2020 is '**Recasting the Indian Economy - A Millennial Dollar Question**'.

Recasting the Indian Economy - A Millennial Dollar Question

Nearly half of India's population is now millennials. As the involvement of our generation rises in the economy, our way of work and consumption is having a profound effect on the world around us. Our belief systems are different from those of the generations before us. We don't like to buy, we like to rent. We don't like to spend on things, we like to spend on experiences. We're always on-the-go, and so we expect things to be on-the-go too.

What this means is that businesses have to rethink how they operate and serve a majority of their customers. So a rising need for convenience means that the likes of Swiggy and Zomato are preferred over dine-in and fine dine restaurants. OTT platforms such as Netflix and Hotstar giving on-the-go and on-demand entertainment are demanded moreover DTH or cable TV. Through Senate 2020, we hope to create a platform that uncovers more such insights and helps us understand how to grapple with the changing times.

The distinguished speakers who we have had the privilege to host on our campus:

- * Mr. Kulmeet Bawa - Managing Director, India & South Asia, Adobe Systems
- * Mr. Harsh Mariwala - Chairperson and Managing Director, Marico
- * Mr. Sundeep Kripalani - Managing Director, Credit Suisse
- * Mr. Amit Narain - Head HR, Nestle, South Asia Region
- * Mr. Srinivas Chunduru - Senior Advisor and Member of the Board, Ola
- * Ms. Neha Saxena Shenoy - Global Diversity and Inclusion Lead, Reckitt Benckiser
- * Mr. Sumeet Verma - Director, Strategy, Intel India
- * Mr. Kapil Vardhan - Senior Director HR, Flipkart
- * Ms. Simple Juneja - Director, Venturing and Emerging Brands, Coca Cola
- * Ms. Prachee Sonchal - General Manager - HR BP, Go Air

The audience would comprise 200+ students of MBA I & II, from the fields of Marketing, Human Resources, Operations, Finance and Innovation, and Entrepreneurship.

It will be our honor to have you as our esteemed Keynote Speaker.

We would be happy to make the necessary travel and accommodation arrangements for the same.

Do feel free to contact us in case of any queries.

Looking forward to hosting you at our campus.

Mrunali Ahirrao

Dear Radhika Ma'am,

I hope you are doing well!

Many thanks for confirming the presence of Dinanath Sir for our event on Jan 31.

As per your suggestion, we have scheduled Sir's session at 11:30 AM.

The brief on the broad theme and the other dignitaries gracing the event have been mentioned in our previous mail.

We believe that Sir's experience as the Managing Director & CEO in L&T Finance Holdings Limited would bring in crucial insights on how India's economy is evolving, as the millennials become an important demographic. The organization's expertise in lending in areas such as real estate, infrastructure, automobiles, and farming would help the students understand the millennial impact from financing as well as the consumption point of view. Additionally, we would also like to understand from Sir as to how are millennials different from other generations, when it comes to dealing with money and finance.
